1st and 2nd class

You can travel in 1st or 2nd class. You have to buy a valid ticket for each of these classes. However, all seats are second class on the Leeuwarden-Harlingen Haven and Leeuwarden-Stavoren lines.

By train towards the Wadden islands? Read this tip!

The ticket machine at Harlingen Haven station can be quite busy. Therefore, we recommend that you buy your return ticket in advance. You can do so at the VVV offices on West-Terschelling or Vlieland or at the desk of the ferry terminal of Rederij Doeksen in Harlingen.
